

LED HIGH BAY LIGHT PREMIUM QUALITY

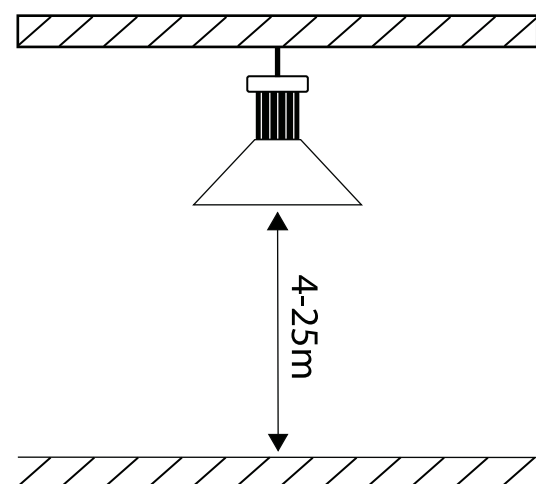

OPTIONAL

**BEAM ANGLE:
60° / 90° / 120°**

**2-5 YEARS
WARRANTY
DEPENDS ON PROJECT**

INSTALLATION HEIGHT

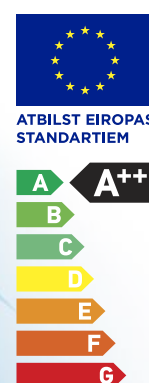

PRODUCT BENEFITS:

Easy to install and use
High quality materials
RA coefficient: CRI≥80
Power factor: PF>0.9
Lifetime: up to 50000h
Energy efficient

GENERAL DESCRIPTION

LED HIGH BAY LIGHT VISIONAL is an energy-efficient lighting solution for factories, warehouses, industrial halls and sport areas. VISIONAL HIGH BAY performs perfect combination of low energy consumption and high lumen output. It is supplied with a reflector, which can be attached to the unit without screws.
