

LED Table Lamps

Asalite LED table lamps are characterized by long-term, reliable quality. The high brightness, the optimal color temperature, the easy mobility and the variability of the lamp position result in the preservation of the quality of vision even with occasional home use or regular and constant work use.

Asalite LED Table lamp 6W 4000K 500 lumen (black)

Asalite LED table lamps are characterized by long-term, reliable quality. The high brightness, the optimal color temperature, the easy mobility and the variability of the position of the lamp result in the preservation of the quality of vision even with occasional use at home or regular and constant workplace.

TECHNICAL DETAILS

Consumption	6 W
LED type	SMD LED
Socket	EURO socket
Luminosity	500 lumen
Colour temperature	4000K
Dimmable	no
Size	137 x 400 mm
Lighting angle	120°
Lifetime	25 000 hours
Circuit/Frequency	AC 220-240V, 50/60 Hz
Energy rating	A+
Color rendering index (Ra)	>80
Power Factor (Pf)	>0,5
Cable length	2 m
IP Class	IP20
Product code	ASAL0204

A+
